Notes on Rankings:

1. The Junior Girls rankings only include players who are **under 19 on the commencement date of the first round of a tournament**. Once a player turns 19, they no longer qualify as a junior and will automatically be removed from the Junior Rankings and that player's points will not be re-allocated.
2. ALL golfers affiliated to GolfRSA will be included on the Player Rankings BUT only South African Nationals will be considered for selection to represent South Africa. See GolfRSA Women's Golf Selection Criteria Document.
3. The points run on a rolling year with the previous year shown as history and the current year as played from 01 January to 31 December.
4. Two or more players sharing the same score will have the ranking points for those positions added and then divided by the number of eligible players sharing that position.
5. No points will be allocated for Provincial Match Play or any subsidiary events.
