

PROGRAMME PROCESS

2024 MID Programme Cycle [New process - See bottom of page 2]

- The MID programme will be broken into four Cycles per year.
- Each Specialisation Area can be completed in a 12 month cycle.
- All MID students will start the selected module at the beginning of each cycle.
- Each module must be completed in 3 months.

Each Cycle:

- Welcome Webinar
- Mid Cycle Mentor hosted Webinars
- Complete all the online videos while working through the Portfolio.
- Submit your Portfolio to your Mentor by end of the cycle.

Mentor WhatsApp Groups

Please reach out to your mentor if you have not received the WhatsApp Group invite.

This group is a valuable tool for MID students to share information and experiences, as well as encourage each other to the end.

Tips

- Create a study plan for the upcoming three months
- The recommended study time per a week is a minimum of 4 hours
- Reach out to your mentor if you are stuck with any of the course content.
- Make use of the experts within your club from various departments.
