SA MID-AMATEUR CHAMPIONSHIP, KRUGERSDORP GOLF CLUB, 5 – 7 NOVEMBER 2018

49 Players entered this year's SA Mid-Amateur Championship. WGSA would really like to see this Championship grow in stature amongst the 30 and over age group, as this group of players are the backbone of Women's Golf. Due to the introduction of the USGA Course and Slope Rating system two months before, the divisions for the Mid-Amateur Championship had to be decided upon before a thorough examination of the ramification of the Rating System could be analysed. The Divisions agreed upon for the Mid-Amateur Championship were:

Championship Division: HI 6.4 and under

B Division: HI 6.5 – 13.8

C Division: HI 13.9 – 23.2

Following the Mid-Amateur Championship, and after a full examination of the ramification of the Course and Slope Rating implementation, the handicap divisions were amended for future Championships.

To grow the Mid-Amateur tournaments WGSA implemented a Mid-Amateur Ranking in 2017 not only for players in the National Championship, but also those playing in stand-alone Provincial Mid-Amateur Championships. In 2018 WGSA increased the eligibility for ranking points to all Mid-Amateur players entering National and Provincial

Open Championships, and the top places on the national rankings are now hotly competed for around the country. We hope this will encourage players from around the country to play in their Provincial Mid-Amateur and Open Championships.

WGSA PLAYER DEVELOPMENT PROGRAMME

WGSA has once again prepared a Player Development Squad Programme for 2019 that encompasses our Elite Squad, B Squad, and a TID (talent identification) programme.

Eight PDI players were identified by their Unions and were given the opportunity to participate in the 2019 Nomads Rose Bowl with all their costs being covered, including chaperoned accommodation, by Nomads and WGSA. The players were: Lisakhanya Payiya (BOR), Thaakirah Bickoo (EP), Pheletso Mota (FS), Tebogo Lefifi (GAU), Lucia Mhlabane (MPU), Chloe Malgas-Kelpin (SC), Ashley Seboa & Zara le Keur (WP). The players were chaperoned by Thelma Dippenaar.

WGSA ELITE SQUADS

WGSA considers that one of our most important mandates is to provide the tools and skills to our top golfers to enable them to be the very best they can be and to reach their golfing goals.

All players selected for the squads will receive financial assistance to attend Provincial Championships.

ELITE SQUAD

In 2019 the Elite and B Squad will have three combined camps, and the Elite will have one on their own. Three camps will be held at Bryanston Country Club and one at Devonvale Golf and Wine Estate.

The squad will receive coaching from our National Coaches, Val Holland and Anna Becker-Frankel. They will also receive instruction from our sports psychologist, Maretha Claasen, sports fitness and physiotherapist Sandra Winter, Trackman with Costanza Trussoni and nutritionist Marlene Durandt.

The 2019 Elite Squad members are:

- Caitlyn Macnab
- Jordan Rothman
- Kaiyuree Moodley
- Kaylah Williams
- Kiera Floyd
- Zethu Myeki

WGSA B SQUAD

The B Squad members for 2019 are:

- Kera Healy
- Megan Streicher

- Samantha Whateley
- Shani Brynard

It should be noted that players may be moved up or down from these squads depending on both performance and recommendations from the coaches.

TALENT IDENTIFICATION (TID) PROGRAMME & CAMPS

Talent Identification Squad for 2019

- Anika Smit
- Ineke Brynard
- Kamaya Moodliar
- Kim Turgut
- Kyra van Kan
- Pheletso Mota
- Tebogo Lefifi

These players will have three 2-day camps in 2019 at Bryanston Country Club receiving instruction from our National Coaches, Val Holland and Anna Becker-Frankel.

NOMADS FUTURE CHAMPIONS CLINICS

This initiative was started in 2014 when two clinics were held. These clinics, that are open to higher handicapped players and girls new to golf, are run by our National Coaches and are normally held directly after a junior championship. The intention is to hold these throughout our Unions in order to attract as many young golfers as possible. Since 2014 clinics have been held in Boland, Western Province, KZN, Eastern Province and Gauteng North. In the past WGSA has received sponsorship from the Nomads for the Future Champion Clinics, but unfortunately this year Nomads advised due to the cancellation of two Sunshine Tour events resulting in falling income, they would be unable to provide sponsorship in 2019.

NATIONAL SQUAD

WGSA will again be part of the GolfRSA National Squad and will receive funding from the National Squad budget to assist with the cost of the elite camps. WGSA will also receive some funding to assist with the players attending the Girls British Amateur and the Astor Trophy, both events being held in August.

GOLFRSA

2018 was the second full year of the amalgamation between the SAGA and WGSA under the banner of GolfRSA. The first Meeting of the Founding Board was held on 3rd June 2016.

The first Board Meeting in 2019 will be held on 25th April. Several Committees have been formed to take GolfRSA forward, including Strategy and Communication, Development and Transformation and a Finance Committee. Both the SAGA and WGSA have representation on all committees.

The GolfRSA Transformation Charter was completed for the period January 2019 – December 2023 and is on the GolfRSA website. Greg de Doncker has been appointed as the GolfRSA Transformation Officer and will be overseeing the Action Plan and ensuring we keep to our targets.

SOUTH AFRICAN GOLF ASSOCIATION (SAGA)

Naadir Agherdien was elected President of the SAGA at their Annual General Meeting in February. Martin Saaiman (Ekurhuleni) was elected first Vice President and Henk Smith (Western Province) second Vice President

Sally Greasley and Sarah Braude attended the SAGA Annual Meetings in September 2018 and February 2019.

HANDICAPPING

The HNA system has been operating successfully throughout the year, with players handicaps updated each day and the Phone App assisting players to enter their scores timeously and to work out their Course Handicaps prior to their game.

The 3 September 2018 saw the full implementation of the USGA Course and Slope Ratings. There are still a few courses that need to be re-rated and this will be done during the next two years. The rating of courses will be an on-going project as courses move their tees or make changes to their courses.

This year also saw the implementation of the new R & A / USGA Rules of Golf. Golf Seminars have been held around the country which include a Level 2, 2-hour exam. The Third Level 2-hour exam is available but may only be taken by TARS Rules Officials and Referees (those that have taken and passed a Level 3 exam over the past two years). The exam will be taken on-line.

The World Handicap System is in the process of being finalised and will be adopted as of 1st January 2020. A committee is being formed that will travel around the country to assist Unions and Clubs to be ready for the implementation of the new system.

WGSA ADMINISTRATION FINANCE & MEDIA

Verucia Bell continues to ably manage the WGSA office. We share premises with the SAGDB in the Momentum Golf Village, Somerset West. Past President, Caroline Kettlewell has continued to act as the treasurer of WGSA for which we are immensely grateful. Pricilla Msiza has carried out the Tournament Administrator function on the ATMS for us at four events over the past year, and Laetitia Higgs has not only also carried out the ATMS function at our tournaments when Pricilla was unavailable, but has been joined by Thelma Dippenaar assisting with staging and other physical duties of the Tournament Administrator.

The GolfRSA website continues to be the go-to place for all information on amateur golf in South Africa. Our Facebook and Instagram pages are constantly being updated during and in between tournaments.

Lali Stander continues to be our Media consultant and her passion for amateur golf never wavers. We thank her for making sure our website and Facebook page is updated on a regular basis and our Twitter and Instagram accounts remain very active.

GIRLS LOVE GOLF /DEVELOPMENT PROGRAMME

All lady golfers pay a WGSA Affiliation fee of which R36 goes towards the WGSA Development Programme. These funds are distributed to the Unions annually and are used mainly for coaching programmes via coaching points at golf clubs, driving ranges and schools. We now have over 500 registered players in these provincial groups at any one point in time with 54 nodes throughout the country. Many unions have joined forces with the SAGDB coaches in their area who provide coaching to both boys and girls.
